

## Stroller Seat

Elevate your strolling experience with the NEO Stroller Tandem Seat. Suitable from newborn to 22kg. Crafted for versatility, the Tandem Seat seamlessly attaches to your NEO stroller, allowing you to transport multiple children without sacrificing comfort or style.

Transform your NEO Stroller from single to double in an instant with the Tandem Seat. It offers multiple seating configurations, so your child can either face you or explore the world around them, all while enjoying a comfortable ride.

- Quick and easy-to-secure magnetic harness system
- Adjustable footrest for added comfort as your child grows
- One-handed, multi-position recline, suitable for both parent-facing and world-facing positions
- Extendable UPF 50+ canopy with a vented peek-a-boo window for enhanced airflow
- Suitable from newborn to 22kg
- The tandem seat can be positioned to face either forward or parent, with multiple recline options, including lie-flat
- The tandem seat features a new magnetic buckle harness system, adjustable foot support, and a tan leatherette bumper bar. The extendable hood offers UPF50+ protection, a pop-out visor, and a viewing window for added convenience.
